We are Praying for families – Giving respite for weary parents/guardians – Making friends – Helping families – Showing the love of Jesus

Sponsor an event for \$250 USD or Bring a Team starting at \$750.

Had our first family overnight camp at *Camp Se Kansa!* Doing monthly events for families! Meeting needs and making a difference.

BIBLE: Hebrews 13:16 “Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God”

It is by your sacrificial giving of prayer, finances, serving alongside us, and sharing our ministry with others that allows us to serve in Belize.

Some of our Families headed home after the overnight camp!

Fundraiser for the Splash Park started 2024 with a “Splash” 58% raised of the \$50,000 goal! Phase one plumbing & foundation - **Funded**, Phase two: pump house, pumps, filters, and tank - **Funded!** Phase Three **Needs** \$20,943 for the fun equipment to splash to the kids!

HIGHLIGHTS

“Dedicated to helping special-needs children and our community”

Teams – We were blessed to have Harris Chapel Church of the Nazarene join us at *Camp Se Kansa!* They helped in projects around the camp as well as hosting our first “Overnight Family Camp.” We had a movie night together and ate smores. Saturday more families joined in the activities, some of them drove 3 hours to join in the fun. The families played games, did crafts, worshiped the Lord, and heard a bible stories.

School supplies – A fundraiser brought in enough school supplies for 11 children to have what they needed to attend school this year! We would love to help more children! Please give at <https://secure.qgiv.com/for/skon> and let us know it is for school supplies. These supplies go to our special needs families. We currently serve 136 children on our special needs children list, which includes their siblings.

Let Us Finish building the only Splash Park in Belize! A wheelchair cannot go into a pool, but it can roll into a splash park! The Splash Park is at *Camp Se Kansa!* and the only thing left to purchase is the equipment for the children to play in and enjoy the water!
